Cable Dock

Charging cable holder
with Type 2 plug holder

The Cable Dock is a charging cable holder with an integrated Type 2 charging plug receptacle, designed for mounting on a wall or on any Eiffel and Eiffel Basic pedestal variant. The Cable Dock is available in matt black, allowing it to be matched to the colour of the pedestal. The functional design is suitable for all types of Type 2 charging cables and ensures space-saving cable management at the charging point.

PRODUCT HIGHLIGHTS

- Easy to use click-in dock, snaps securely to the cable plug

- Hook keeps cable organized off the ground to avoid tangling

- Made from high-quality plastic, it is rust-free and built to last

- Universal compatible with Type 2 (IEC 62196-2 standard)
