

Cable Holder

Charging cable holder

The Cable Holder offers a sleek and practical solution for organizing your charging cable. Designed for easy installation on walls or any Eiffel and Eiffel Basic pedestal variant, it seamlessly integrates with your existing setup. Available in black or white, it can be color-matched with your charger, pedestal, accessories, or wall for a clean and cohesive look. Its functional, minimalist design supports all charging cables, helping you keep your space tidy and your cable protected. Ideal for both residential and commercial installations, the Cable Holder ensures efficient, space-saving cable management at any charge point.

PRODUCT HIGHLIGHTS

-  Hang the EV cable and keep your space tidy and well organized
-  Sturdy and durable without deformation or oxidation problems
-  Simple installation
